

Professional Learning Agreement
for
SMU Master Physics Teacher Certificate
Modern Physics Module, Summer 2016

The classes for this module will run 9:00 am – 12:30 pm Sat July 9 and 8:00 am – 3:00 pm Mon-Fri July 11-15.

Participants must attend all of the classes at SMU (a waiver of attendance at only the Saturday class is possible). Participants will complete outside reading assignments – two hours per class is the guideline - to the best of their ability and knowledge level. At the beginning/end of the module, there will be a straightforward conceptual pre/post-test for participants to evaluate content understanding. A certificate of PD will be awarded upon satisfactory completion of the module (attendance and post-test). All materials for the course (textbook, lab supplies, etc.) will be provided.

To secure your place on this module, please complete your details below and mail/email this form to:

Dr. Simon Dalley, SMU Physics Department, PO Box 750175, Dallas, TX 75275-0175. sdalley@smu.edu
