

PHY1308 - Homework 4

Expectations for the quality of your handed-in homework are available at <http://www.physics.smu.edu/sekula/phy1308/homework.pdf>. Failure to meet these guidelines will result in loss of points as detailed in that document. This assignment is due on Tuesday, Feb. 22 by 9:30am (the beginning of class).

Reading Assignment

- Chapter 23

Practice Problems

These are not required; they are odd-numbered problems from Wolfson that may help you to warm up for the required problems.

- CH23-29
- CH23-31

Required Problems

- CH23-30
- CH23-32
- CH23-48
- CH23-60
