PHYS 1313 Grading Policy

Homework:	15%
Lab Reports:	20%
Spot Quizzes:	15%
Tests:	25%
Final Examination:	25%

Spot quizzes are **unannounced and closed book**. Tests and the final are open book and open note. Homework is counted as either handed in (50% of the problems are honestly attempted) or not handed in.

Final course grades are "curved". Effort is rewarded and will be considered when the final grades are determined.
