

Physics 7311
Electromagnetics
Fall 2018
Course Information

- **Lectures:** MWF 9:00 am-9:50 am, in Room Hyer Hall 110
- **Lecturer:** Professor Roberto Vega
 - Office: Room 102 Fondren Science
 - Office hours: Wed. & Fri. 11:00-12:00 pm, or by appointment
 - Phone: (214) 768-2498
 - Fax: (214) 768-4095
 - E-mail: rvega@smu.edu
- **Textbooks:** *Classical Electromagnetism in a Nutshell*, 3rd ed., by Anupam Carg
other recommended texts: *Classical Electrodynamics*, by J.D. Jackson, *The Classical Theory of Fields*, by L.D. Landau and E.M. Lifshitz; *Intro to Electromagnetics* by David Griffith
- **Examinations:** There will be three partial exams. A final exam will be held only if the class as a whole does not perform well on the midterm exams.
- **Grading:** 75 percent homework, 25 percent exams
- **Topics:** We will hopefully cover the first twelve chapters of the Carg textbook.
- [Disability Accommodations, Policy for Religious Holidays, Excused Absences for Extracurricular Activities](#)
