WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted materials. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research". If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

Roswell Hardware Man and Wife Report Disk Seen

The intelligence office of the 509th Bombardment Group at Roswell Army Air Field confirmed today that the field has come into possession of a flying saucer.

According to information released by the department, over authority of Maj. J. A. Marcel, intelligence officer, the disk was recovered over a ranch in the Roswell vicinity, after an unidentified rancher had notified Sheriff Geo. Wilcox, that he had found the instrument on his premises.

Maj. Marcel and a detail from his department went to the ranch yesterday afternoon, the disk, it was stated.

After the intelligence office had inspected the instrument, it was flown to "higher headquarters."
